2451 Riverside Drive Ottawa, Ontario K1H 7X7
and is governed by the Rules of EC current edition (see EC A602.1) EC/AEF #240163**

STATEMENT OF PRINCIPLE

The Equestrian Canada Federation (EC), the National Federation of Canada, supports adherence to humane treatment of horses in all competitions under its jurisdiction.

EC is committed to:

- Upholding the welfare of horses, regardless of value, as a primary consideration in all activities.
- Requiring that horses be treated with kindness, respect, and the compassion that they deserve, and that they never be subjected to mistreatment.
- Ensuring that owners, trainers, exhibitors and their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed under their care for any purpose.
- Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort, sanitation and safety as a matter of standard operating procedure.
- Continuing to support scientific studies on equine health and welfare.
- Increasing education in training and horsemanship practices.
- Requiring owners, trainers and exhibitors to know and follow their sanctioning organization's rules and to work within industry regulations in all equestrian competitions.
- Reviewing, revising and developing competition rules and regulations that protect the welfare of horses.

The standard by which conduct or treatment will be measured is that which a person/**person responsible**, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive nor inhumane. 21. Junior exhibitors may not show stallions in All Breed classes, showmanship or equitation. Refer to breed-specific classes for rules of each breed organization shall apply with respect to Junior competitors exhibiting stallions.
22. **EC Article A905.2** states that Junior competitors must wear proper fitting, approved protective headgear, with the safety harness correctly secured, at all times while mounted on competition or event grounds. Approved headgear meets the ASTM (American Society for testing Materials) standards and displays the SEI (Safety Equipment Institute) seal. The British standard, BSI, is also acceptable. EC Article A905.1 strongly recommends that all persons wear approved headgear at all times while mounted or driving cross country or marathon. However, at present, if a Junior is competing in a discipline or breed whose rules specify other headgear (e.g. western hats, derbies etc) those rules supersede the new rule. However, all breeds and disciplines do allow protective headgear with no penalty and we urge their members to put safety ahead of tradition and adopt the new rule. Therefore, no helmets are mandatory as yet in Saddle Seat or Western classes but they are recommended. Approved headgear is mandatory in all over fences classes. Hunt Seat on the flat must wear approved helmets complete with harness. *Note: A helmet is required in Hunt Seat Equitation as per EC rules.* Juniors are strongly advised to wear helmets until just before they enter the show ring in any division. **All Breed Juniors must wear a helmet EC Rule A802.6**
23. Hors Concour is allowed, unless specific breed rules indicate otherwise -- exception – Dressage and Hunter Over Fences. These entries must pay the same fee and are subject to the same conditions that apply to regular class entries. Show secretary must be advised of the Hors Concour entry before shown. A214.3 Hors Concour entries are not eligible for any awards.
24. Arabian Achievement Leveling is in effect for Park, English Pleasure, Country English Pleasure, Hunter Pleasure, Western Pleasure and Trail. For complete information refer to your AHA 2025 handbook.
25. SELECT ATR – Arabian/HA/AA Classes – REFER to EC Rules 2025— Changes have been made for this division – It is the responsibility of the exhibitor to know the specifications for each class/each division entered.
26. Morgan Ladies Classes are for lady riders/drivers over 18yrs of age.
27. *EC statement – Any horse entered in any class at a competition subject to the requirement to pay drug testing fees may, while on the competition grounds and on the recommendation of the chairman of the provincial Equine Medication Control Committee or the chairman's appointee, be selected for equine medication control testing. Biosecurity guidelines at a Horse Show Make sure your horse is healthy, up to date on vaccinations, and fit for travel and competition. This starts at home, long before the show. Clean and disinfect the stall(s) your horse will use at the show. Leftover manure, shavings, and dirty walls are potential hazards. Remove all remains of bedding, and then let soap and water work on the walls. For added measure, you can rinse with a 1:15 ratio of bleach to water. Take responsibility for your horse – be his advocate. It's perfectly fine to ask someone not to touch your horse. Respect your fellow competitors and owners as well by not smooching or scratching their horses. Monitor your horse's temperature. Most horses will appear to be normal with a fever long before the fever makes them appear ill. Twice daily at shows is a good idea, and continue the twice daily for a bit after a show and travel. Don't share. I know this is contrary to every Sesame Street episode, but diseases are contagious! If you have extra things in your trailer that you could lend out without needing it back, you may be OK. But it's a hard pass on sharing brushes, some skin infections are contagious via brushes. Hoses that are shared among horses can also be a source of infection, so bring your own. If your horse is the most social creature on the planet, it's going to be a rude awakening when you explain to him that nose-to-nose contact is off the menu. It's fine to get him a stuffed animal instead situate your horse so he can still see other horses, but maybe at a distance. Tack stalls are great to put between horse stalls at shows. If you are concerned about biosecurity at a show, talk to your veterinarian and the Show Management.
