RULES AND REGULATIONS

1. Per Article A801, every entry at an EC-sanctioned competition shall constitute an agreement by the person responsible that the owner, lessee, trainer, manager, agent, coach, driver or rider and horse shall be subject to EC constitution and all rules of EC and any additional rules set by the competition. It is the responsibility of all individuals participating in the EC-sanctioned competitions to be knowledgeable regarding the EC constitution and the applicable rules of the EC and the additional rules, if any, imposed by the competition. Do not participate in this EC-sanctioned competition in any capacity if you do not consent to be bound by the constitution and rules of EC and any additional rules imposed by the competition.

2. Per Article A602.2 Every class offered herein is covered by the rules and specifications of the current rules of EC and will be held and judged in accordance with the EC Rule Book

3. VACCINATIONS

All horses entered in any class at a competition must have met the requirements of Article A519, Vaccinations. See Rules of Equestrian Canada, Section A, General Regulations, Article A519, Vaccinations." (A602.8)

As per EC ARTICLE A519: All horses attending Equestrian Canada sanctioned competitions must have been administered Equine Influenza and Equine Herpes Virus (1&4) vaccinations within 6 months (+21 days grace period) before arrival at the event. No horse shall receive vaccination within 7 days prior to arrival at the event. Horses not in compliance with this rule will be asked to leave event site by Competition Management.

The frequency of vaccine administration should be as recommended by the vaccine manufacturer or veterinarian. It is recommended that vaccines be administered by or under the direction of a veterinarian. Competition management requires supporting documentation confirming a horse's compliance with mandatory vaccination requirements.

If administered by a veterinarian, the veterinarian will provide documentation to the Person Responsible. If the veterinarian did not administer the vaccine, the Person Responsible will provide:

- the horse's name,
- a receipt copy of the vaccine purchase,
- name of the vaccine with serial number and expiration date,
- the date administered,
- a signature confirming all information is true and correct.

In the case of a horse that is unable to receive either of the vaccines, a letter from a veterinarian on official letterhead must be provided with the entry form, stating the horse

cannot be vaccinated due to medical concerns. At the discretion of competition management, a log of the horse's temperature prior to arrival at the event site or during the event can be requested.

4. **Calling of classes is a courtesy only.** Competitors failing check-in at the hitching ring may have their animals excluded from their class.
5. Any classes, of the same division, may be cancelled or combined at the discretion of the show committee. Entrants shall be notified. All changes will be posted at the show office. Additions to class lists may be considered by the Show Committee.
6. **Gate holds** are allowed at the discretion of the Show Committee and must be requested through the Hitching Ring personnel or Show Office well before the class (preferably before the session starts). The show committee will make every effort to accommodate tack changes and time restriction will be 3 minutes. Tack changes to be completed in the hitching area.
7. Upon any act of discourtesy or disobedience to the officials on the part of the owner, groom, rider or driver, the owner may forfeit his/her entry fee and such action will be reported to the EC. The show committee reserves the right to remove any person or horse from the show without being liable for compensation.
8. Should any dispute or question arise, not provided for in the rules, it shall be referred to the show committee.
9. Grooms and attendants are to appear in the ring neat, clean, and suitably attired.
10. No person other than officials, steward and attendants on duty may enter the show ring without permission of the steward or show secretary.
11. The Judge's decision is final in all classes. No one will approach the Judge regarding a decision unless he/she first obtains permission from the Show Committee or Steward who shall arrange an appointment with the Judge at a proper time and place. No person may enter the space set apart for the Judge or hold communication with the Judge or examining Veterinarian without permission.
12. To be "shown and judged" in a class, an animal must perform the prescribed routine and must remain in the ring until excused by the judge.
13. **SAFETY REGULATION:** EC Article A905.2 states that "Junior competitors must wear properly fitted, approved protective headgear, with the safety harness correctly secured, at all times while mounted or riding on a horse-drawn vehicle on the competition or event grounds. Approved headgear must be certified by SEI or the American Society for Testing Material (ASTM) or the British Standards Institution (BSI/BS EC) standard." At present, if the junior is competing in a discipline or breed whose rules specify other headgear (e.g., western hats or derbies) those rules supersede the above rule. However, almost all breeds and disciplines do allow protective headgear with no penalty, and we urge their members to put safety ahead of tradition and adopt the new rule.
14. Calnash Ag Event – Information for facility use:
 - Garbage cans are to be used – do not leave garbage in stalls or dressing rooms.

- Do not dump water buckets in stalls. Please dump at wash bay, outside or tubs will be provided upon request.
- Hoof black - please note a floor protector must be placed down prior to any use of hoof black. Hoof black on the floor or walls of the stalls or alley greatly detracts from the look of the facility & additional cleaning is required. If protectors are not used, hoof black penalties will be assessed.
- Please do not leave piles of manure in 'Ready' room stalls. Manure buckets can be dumped in the alley when you move out.
- Please insure there is nothing nailed, stapled or tacked on or inside the stalls. Boards can be provided for this purpose. Please check at the Barn office for availability.
- Please monitor children playing in and around the barn.
- **TAKE NOTICE: You are not allowed to tie to the exterior of the stalls or cross tie horses in the alleyway. If you tie to the exterior of the stalls or cross tie a horse in the alleyway, you will not be covered by insurance, and you assume all risks and liabilities.**
- All dogs must be kept on a leash on the show grounds. **Dogs are NOT allowed in any of the Ag-Events Center Buildings including the Barn.**

15. **Bikes/Scooters/Skateboards are NOT to be ridden in the Barn or area between the Barn and Arena.**

16. **Lunging of horses will be restricted to the warmup rings only and will not be permitted in the main show ring at any time for the duration of the show. There will be no more than two horses being lunged at one time. Competitors are encouraged to always exercise caution and courtesy when working horses in the warmup areas before and/or during the show.**

17. Horses will be permitted to leave the show grounds during the competition and return as necessary.

18. **Accidents and Return to Play**

This rule is applicable to all competitors (including foreign) at EC sanctioned events and applies to falls/accidents that occur at the event location.

In the event of a fall/accident where concussion can be reasonably suspected, (not limited to a direct blow to the head or loss of consciousness), the competitor must receive medical clearance by qualified medical personnel onsite, through the EC Accident Injury Report Form before continuing. The competitor is solely responsible for ensuring the onsite medical assessment takes place by the onsite qualified medical personnel. If the competitor refuses to be evaluated, he/she is disqualified from the event.

If the qualified medical personnel suspects a concussion (regardless of symptoms displayed) or believes that the competitor may be at risk of concussion due to the nature of the fall or impact, the competitor is suspended from competition until medically released, as outlined in paragraph 6 below.

In the case of the preceding paragraphs, an EC Accident/Injury Report Form must be completed by either:

the attending Steward, Technical Delegate or the attending qualified medical personnel onsite and submitted to EC within 24 hours of the occurrence. It is the Steward's/Technical Delegate's responsibility to ensure forms are complete and submitted on time.

Any competitor suspended from competing further at the event on the basis of any of the preceding paragraphs will be placed on a medical suspension list, managed by EC, until medically released as in the process described in paragraph 6.

In the event a competitor is determined ineligible to compete per one of the above conditions, the competitor must submit the EC Return to Play Form to EC, completed by a licensed physician. The EC Return to Play Form will be processed by EC within two business days, at which point the competitor will be removed from the EC Medical Suspension list and may return to regular competition. If the competitor wishes to compete after being medically released by a physician but before the EC processing period of the form, the competitor must also submit a copy of the EC Return to Play Form to the show secretary. In this case the competitor is competing at their own risk and may be pursuant to fines and penalties if the form is found to be incomplete in any way.

No competitor shall compete in an EC sanctioned event while on the EC Medical Suspension List. It is the responsibility of the competitor to refrain from competition and the competition organizer may refuse entry to anyone on the EC Medical Suspension List.

These rules also apply to EC sanctioned competitors competing in FEI and USEF competitions.

19. **EC COACH STATUS 2025**

EC Coach Status 2025 Section A, General Regulations, Article 102, Safe Sport Environments
