- Ensuring that owners, trainers and exhibitors or their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose;
- Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort and safety as a matter of standard operating procedure;
- Continuing to support scientific studies on equine health and welfare;
- Requiring owners, trainers and exhibitors to know and follow their sanctioning organization's rules, and to work within industry regulations in all equestrian competition;
- Reviewing, revising and developing competition rules and regulations that protect the welfare of the horses.

The standard by which conduct or treatment will be measured is that which a person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive, nor inhumane. ## COVID PROTOCOLS

The Alberta Charity Horse Show is committed to ensuring measures are in place to provide an enjoyable, secure and safe experience for everyone as we navigate the regulations to reduce risks related to COVID. Our expectation is that our Participants will review and comply with local guidelines and restrictions that may be in effect for physical distancing, masks in public and other COVID protocols. The rules seem to be ever changing, but it is our expectation that everyone will remain flexible, kind, and appreciative of the evolving landscape. The following measures will be in place specific to the Alberta Charity Horse Show to meet equestrian event guidance and the Calnash facility Covid-19 mitigation plan:

1. Government of Alberta Provincial COVID-19 guidance available at the time that the event is held will be followed by all equestrian participants.
  2. Covid-19 contact tracing form and waivers must be completed with entry form for all participants.
  3. This show will be run as a closed event. The general public will not be permitted to ensure social distancing and arena Stage 2 fire code reduced capacity requirements can be met.
  4. Upon arrival at the Calnash facility (and before off-loading horses), all participants attending the show (including horse owners, trainers, coaches, volunteers) must register at the COVID-19 Volunteer Team Office; to receive a wrist band indicating that all forms are received and to verbally review the risk mitigation protocols for the event. The Covid-19 Volunteer Team Office will be located on the east end of the Heritage barn.
  5. Participants 12 years of age and older are encouraged to have at least one covid-19 vaccination prior to the event.
  6. All event participants, including staff, riders, judge, guardians, owners, riders, etc. must complete a daily symptom check prior to arrival to the venue. Checklists do not need to be handed in but are expected to be completed in good faith to reduce the risk to all participants. All participants will be expected to use the Alberta Health Daily Checklist each day of competition (<https://open.alberta.ca/publications/covid-19-information-alberta-health-daily-checklist>). Specifically, individuals should not attend the event if the following is applicable:
    - a. Individuals who have travelled and arrived from outside of Canada in the last 14 days
    - b. Individuals who have had a close contact with a case of Covid-19 in the 14 days prior to the event UNLESS you are fully-immunized which means 14 days after receiving the second dose of a two-dose vaccine series OR 14 days after receiving one dose of a one-dose vaccine series AND you have no symptoms
    - c. Individuals with COVID symptoms must not come to the venue/event, and must follow provincial requirements to isolate
- If any questions on the daily checklist are answered 'Yes', participants are to quarantine immediately, use the AHS Online Assessment Tool or call Health Link 811 to determine if testing is recommended.
7. In the event that any participant is denied participation in the event due to isolation (e.g., known exposure to COVID-19 positive individual, positive COVID test in last 14 days or travelled out of country in last 14 days) or exhibiting symptoms of COVID-19, the Show Committee has a support plan which includes reimbursement of all entry fees, with the exception of the small office fee to the owner.
  8. All positive cases of COVID-19 will be reported immediately to Alberta Health Services
  9. Participants should maintain 2 meters of physical distance from other participants. When social distancing or a barrier is not in place indoors, masks are required. Participants riding are not required to mask but are encouraged to stay 3 meters apart from other participants.
  10. Within the Heritage Barn, participants will be cohorted into 'stables' based on the stable or farm that each animal is regularly housed. This will encourage individuals who cannot maintain 2-meter physical distance when in group settings to only closely interact with the same people within their own cohort group rather than switching daily contacts or randomly interacting with others outside that circle. Limiting close physical contact only to those in a cohort decreases opportunities for being exposed to the virus while giving the opportunity for social interaction between individuals within the cohort.
  11. At this time, no ribbons or awards will be handed out during performance classes to maintain social distancing protocols.
  12. Hand sanitizer will be available at the show office and in high use traffic areas. Participants are expected to have their own personal hand sanitizer.
  13. All participants are reminded to use their own equipment. Any sharing of equipment should include disinfection prior to next use.
  14. Participants should complete hand hygiene before and after completing an equestrian activity.
  15. **RAPID RESPONSE PLAN:** If a participant/staff becomes ill during an event, they will be required to immediately notify the Covid Compliance Officer. The participant will be immediately isolated from all other persons. The symptomatic individual will be required to complete hand hygiene and must be masked. Transportation to their home for isolation will be arranged and the Calnash Ag Event Centre office and Alberta Health Services will be contacted.
  16. **NON-COMPLIANCE**

If the Covid Compliance Officer or Show Chairman is concerned an individual is not following public health orders, they can:

    - Remind the participant that not following public health restrictions is against the law and puts people and the event (or future horse show events) at risk.
    - Ask the individual to leave the premises and disqualify the participants horse from competition.
    - Any urgent matter will be reported to the RCMP for an immediate response.

## RULES AND REGULATIONS

1. Per Article A801, every entry at an EC-sanctioned competition shall constitute an agreement by the person responsible that the owner, lessee, trainer, manager, agent, coach, driver or rider and horse shall be subject to EC constitution and all rules of EC and any additional rules set by the competition. It is the responsibility of all individuals participating in the EC-sanctioned competitions to be knowledgeable regarding the EC constitution and the applicable rules of the EC and the additional rules, if any, imposed by the competition. Do not participate in this EC-sanctioned competition in any capacity if you do not consent to be bound by the constitution and rules of EC and any additional rules imposed by the competition.
2. Per Article A602.2 Every class offered herein is covered by the rules and specifications of the current rules of EC and will be held and judged in accordance with the EC Rule Book
3. VACCINATIONS

All horses entered in any class at a competition must have met the requirements of Article A519, Vaccinations. See Rules of Equestrian Canada, Section A, General Regulations, Article A519, Vaccinations." (A602.8)

As per EC ARTICLE A519: All horses attending Equestrian Canada sanctioned competitions must have been administered Equine Influenza and Equine Herpes Virus (1&4) vaccinations within 6 months (+21 days grace period) before arrival at the event. No horse shall receive vaccination within 7 days prior to arrival at the event. Horses not in compliance with this rule will be asked to leave event site by Competition Management.

The frequency of vaccine administration should be as recommended by the vaccine manufacturer or veterinarian. It is recommended that vaccines be administered by or under the direction of a veterinarian. Competition management requires supporting documentation confirming a horse's compliance with mandatory vaccination requirements.

If administered by a veterinarian, the veterinarian will provide documentation to the Person Responsible. If the veterinarian did not administer the vaccine, the Person Responsible will provide:

- the horse's name
- a receipt copy of the vaccine purchase
- name of the vaccine with serial number and expiration date
- the date administered
- a signature confirming all information is true and correct.

In the case of a horse that is unable to receive either of the vaccines, a letter from a veterinarian on official letterhead

must be provided with the entry form, stating the horse cannot be vaccinated due to medical concerns. At the discretion of competition management, a log of the horse's temperature prior to arrival at the event site or during the event can be requested.

4. **Calling of classes is a courtesy only.** Competitors failing check-in at the hitching ring may have their animals excluded from their class.
5. Any classes, of the same division, may be cancelled or combined at the discretion of the show committee. Entrants shall be notified. All changes will be posted at the show office. Additions to class lists may be considered by the Show Committee.
6. **Gate holds** are allowed at the discretion of the Show Committee and must be requested through the Hitching Ring personnel or Show Office well before the class (preferably before the session starts). The show committee will make every effort to accommodate tack changes and time restriction will be 3 minutes. Tack changes to be completed in the hitching area.
7. Upon any act of discourtesy or disobedience to the officials on the part of the owner, groom, rider or driver, the owner may forfeit his/her entry fee and such action will be reported to the EC. The show committee reserves the right to remove any person or horse from the show without being liable for compensation.
8. Should any dispute or question arise, not provided for in the rules, it shall be referred to the show committee.
9. Grooms and attendants are to appear in the ring neat, clean and suitably attired.
10. No person other than officials, steward and attendants on duty may enter the show ring without permission of the steward or show secretary.
11. The Judge's decision is final in all classes. No one will approach the Judge with regard to a decision unless he/she first obtains permission from the Show Committee or Steward who shall arrange an appointment with the Judge at a proper time and place. No person may enter the space set apart for the Judge or hold communication with the Judge or examining Veterinarian without permission.
12. To be "shown and judged" in a class, an animal must perform the prescribed routine and must remain in the ring until excused by the judge.
13. SAFETY REGULATION: EC Article A905.2 states that "Junior competitors must wear properly fitted, approved protective headgear, with the safety harness correctly secured, at all times while mounted or riding on a horse-drawn vehicle on the competition or event grounds. Approved headgear must be certified by SEI or the American Society for Testing Material (ASTM) or the British Standards Institution (BSI/BS EC) standard." At present, if the junior is competing in a discipline or breed whose rules specify other headgear (e.g., western hats or derbies) those rules supersede the above rule. However, almost all breeds and disciplines do allow protective headgear with no penalty, and we urge their members to put safety ahead of tradition and adopt the new rule.

14. Calnash Ag Event – Information for facility use:

- Garbage cans are to be used – do not leave garbage in stalls or dressing rooms.
- Do not dump water buckets in stalls. Please dump at wash bay, outside or tubs will be provided upon request.
- Hoof black - please note a floor protector must be placed down prior to any use of hoof black. Hoof black on the floor or walls of the stalls or alley greatly detracts from the look of the facility & additional cleaning is required. If protectors are not used, hoof black penalties will be assessed.
- Please do not leave piles of manure in 'Ready' room stalls. Manure buckets can be dumped in the alley when you move out.
- Please insure there is nothing nailed, stapled or tacked on or inside the stalls. Boards can be provided for this purpose. Please check at the Barn office for availability.
- Please monitor children playing in and around the barn.
- TAKE NOTICE: You are not allowed to tie to the exterior of the stalls or cross-tie horses in the alleyway. If you tie to the exterior of the stalls or cross-tie a horse in the alleyway, you will not be covered by insurance, and you assume all risks and liabilities.
- All dogs must be kept on a leash on the show grounds. **Dogs are NOT allowed in any of the Ag-Events Center Buildings including the Barn.**

15. **Bikes/Scooters/Skateboards are NOT to be ridden in the Barn or area between the Barn and Arena.**

16. **Lunging of horses will be restricted to the warmup rings only and will not be permitted in the main show ring at any time for the duration of the show. There will be no more than two horses being lunged at one time. Competitors are encouraged to exercise caution and courtesy at all times when working horses in the warmup areas before and/or during the show.**

17. Horses will be permitted to leave the show grounds during the competition and return as necessary.

18. **Accidents and Return to Play**

This rule is applicable to all competitors (including foreign) at EC sanctioned events and applies to falls/accidents that occur at the event location.

In the event of a fall/accident where concussion can be reasonably suspected, (not limited to a direct blow to the head or loss of consciousness), the competitor must receive medical clearance by qualified medical personnel onsite, through the EC Accident Injury Report Form before continuing. The competitor is solely responsible for ensuring the onsite medical assessment takes place by the onsite qualified medical personnel. If the competitor refuses to be evaluated, he/she is disqualified from the event.

If the qualified medical personnel suspects a concussion (regardless of symptoms displayed) or believes that the competitor may be at risk of concussion due to the nature of the fall or impact, the competitor is suspended from competition until medically released, as outlined in paragraph 6 below.

In the case of the preceding paragraphs, an EC Accident/Injury Report Form must be completed by either: the attending Steward, Technical Delegate or the attending qualified medical personnel onsite and submitted to EC within 24 hours of the occurrence. It is the Steward's/Technical Delegate's responsibility to ensure forms are complete and submitted on time.

Any competitor suspended from competing further at the event on the basis of any of the preceding paragraphs will be placed on a medical suspension list, managed by EC, until medically released as in the process described in paragraph 6.

In the event a competitor is determined ineligible to compete per one of the above conditions, the competitor must submit the EC Return to Play Form to EC, completed by a licensed physician. The EC Return to Play Form will be processed by EC within two business days, at which point the competitor will be removed from the EC Medical Suspension list and may return to regular competition. If the competitor wishes to compete after being medically released by a physician but before the EC processing period of the form, the competitor must also submit a copy of the EC Return to Play Form to the show secretary. In this case the competitor is competing at their own risk and may be pursuant to fines and penalties if the form is found to be incomplete in any way.

No competitor shall compete in an EC sanctioned event while on the EC Medical Suspension List. It is the responsibility of the competitor to refrain from competition and the competition organizer may refuse entry to anyone on the EC Medical Suspension List.

These rules also apply to EC sanctioned competitors competing in FEI and USEF competitions.

3. Competitors will be allowed to move into the barns after 9:00 am on Thursday, July 8, 2021. All competitors must vacate the barns on Sunday July 11, 2021. If an earlier check-in or late check out times are required, at an additional fee, please phone Leslie at 403-863-1849 to make arrangements.

4. Wash racks are available.
5. Competitors shall not move from their assigned stalls or trade without permission of the Show Secretary. Violation of this rule will result in the removal of the proposed competitor from the Show without refund of any kind. This rule will be strictly enforced.
6. Stabling is only guaranteed to those who submit their stabling requirements with their Entry Forms before the Entry Deadline. Do not assume that you will be able to obtain stalls if you arrive at the Show and have not entered prior to the Entry Deadline. Those who have booked stalls but wish to add stalls after the Entry deadline are not guaranteed that additional stalls will be in the same area of the stalls that were initially requested and assigned.
7. The ends of each stabling area are not for the exclusive use of those with stalls in the immediate area. They are for everyone's use to store carts etc. Anyone limiting the use of these areas by other competitors, by any means may be asked to correct the situation by the Show Secretary.
8. There is compressed bales hay bales and straw available for purchase at the Calnash Ag-Events Centre. There is no additional fee for cleanup if the compressed bags of straw is used for bedding. #### **R.V. HOOK-UPS AND PARKING**

**Please ensure you make note...**

- There are RV power hook-ups available at the barn area in addition to a full-service Campground adjacent to the show grounds at Ponoka.
- **RV power hook-ups for the barn area are limited and only available on a first come first serve basis.** Failure to book a spot prior to arrival at the show grounds, may result in the vehicle being required to relocate to the Ponoka Stampede Campground.
- There are events taking place at Calnash Agri-Event centre on Wednesday evenings, so TAKE NOTE – there is no guarantee to you will be able to plug in your RV, if arriving July 7, 2021.
- Contact the Ponoka Stampede Campground, if you desire to book with them directly for full service lots, 403-783-5611 or 403-783-3120.

#### **RANCH RIDING**

1. In this class, the primary considerations are the horse's quality of movement and overall manners and responsiveness while performing the required maneuvers. The class should allow the horse to show its ability to work at a forward working speed while under the control of the rider. A horse being shown with light contact should be rewarded.
2. Each horse will work individually, performing both required and optional maneuvers, and scored on the basis of 0 to 100, with 70 denoting an average performance.
3. The required maneuvers will include the walk, jog, and lope both directions: and the extended jog and extended lope going at least one direction; as well as stops, and a back.
4. Three optional maneuvers may include a side pass, turns of 360 degrees or more, change of lead (simple or flying), walk, jog, or lope over a pole(s); or some combination of maneuvers that would be reasonable for a ranch horse to perform.
5. Patterns will be posted for the classes.

#### **SCHOOLING CLASSES**

- Not to be judged. May use training tack and regular riding clothes.
- Must have a back number on to enter into the ring.
- There will be an announcer to make calls, but everyone may school as they please as long as they are riding in a safe and mannerly fashion.
- It will run like a normal class without being judged.
- If there no classes listed in the tentative schedule, these classes are an option for TBA spots.

#### **ACADEMY CLASSES**

For riders who have never shown before or have only shown in academy divisions previously. To encourage people to see what showing is about, at a beginner level.

- To be called like regular classes.
- Are not rated for EC awards, EC Sports License is not required but riders do require an AEF membership.
- Work tack is allowed (e.g., martingales and snaffles).
- Show clothes are not required, but clothing shall be neat and clean, with an overall tidy appearance (e.g., boots, jods, and button-down shirt with vest or sweater for English; boots, jeans long sleeve shirt for Western).
- Proper footwear is a must and helmets for those 18 and under.
- Horses may cross enter into other divisions, but not riders.

**GOOD LUCK TO ALL COMPETITORS!!**
