The ideal ranch rail pleasure horse should have a natural head carriage at each gait. In all gaits, movement of the ranch rail pleasure horse should simulate a horse needing to cover long distances, softly and quietly, like that of a working ranch horse. This class should show the horse's ability to work at a forward, working speed while under control by the rider. Light contact should be rewarded and horse shall not be shown on a full drape of reins. The overall manners and responsiveness of the horse while performing the maneuver requirements and the horse's quality of movement are the primary considerations. This class is intended as a rail class but individuals working off the rail will not be penalized and riders are encouraged to use adequate space given the extension of gaits required. Ranch Rail Classes are offered for horses three years of age or older.

COVID PROTOCOLS

We are all looking forward to the 2022 Horse Show Season and currently are moving ahead with plans for our June Show. Although we are not sure what limitations may be in effect, you can be assured we are working hard to organize a horse show that is fun, light and most importantly, safe.

The Aurora Summer Horse Show is committed to ensuring measures are in place to provide an enjoyable and secure experience for everyone as we navigate the regulations to reduce risks related to COVID. Our expectation is that our Participants will review and comply with local guidelines that may be in effect for Physical Distancing, masks in public and other COVID protocols. The rules seem to be ever changing, but it is our expectation that everyone will remain flexible, kind, and appreciative of the evolving landscape.

We are collaborating with Alberta Health Services, Equestrian Canada, Alberta Equestrian Federation, the Arabian Horse Association to follow COVID guidelines and are examining the available information to develop best practices that will serve our Show and accommodate the facility.
